

CRITERIA FOR
NON-LOCAL REQUEST FOR PLACEMENT

For Year 7 - 2010

We will enrol a total of 200 students, including locals and non-locals. We expect requests for placement from far more non-local students than we will be able to accommodate. During each of the past ten years, about 200 non-local students have applied for about 50 non-local positions. Each year our School Council reviews the procedures and criteria used by our placement panel.

The placement panel will look at each of the criteria listed below when considering non-local requests for placement. **No single criteria will guarantee automatic placement.**

- In Year 6 at Kirrawee, Grays Point or Gymea Bay Primary School
- Brothers/sisters/parents currently at Kirrawee High School
- Experience in, or interest in, studying languages
- Success in music/band, performing arts, sport
- Leadership experiences/training
- Special interests and abilities demonstrated during recent primary school years. (Supporting evidence *might* include recent school reports, results of external competitions and tests or certificates of achievement, i.e., in technology or other areas)
- Other criteria including travel, maintaining friendships or compassionate/family reasons

More information can be obtained by attending our **Year 6 to 7 Information Evening** at 7.30pm on **Wednesday, 11th March, 2009** or by ringing the school.
